Gary,

Again I appreciate all your help with this matter. The COH Air folks want me to handle the media issues for them which is fine. Feel free to refer media and citizens wanting city contacts to me at phone number 832-394-0774. That is my office phone which rolls to me cell when I am out of the office. I don't want me cell number out there for obvious reasons.

I will be contacting the City Councilman tomorrow regarding the water use issue to see what rabbit he can pull out of his hat. I will keep you posted.

Thanks again for all your doing for the COH and it's Citizens.

Stephen

Stephen:

It was today. It was a good meeting. I met with Air Alliance Houston and Texas Low Income Housing Information Service. The community had a rally in front of the Site and I believe it was covered by Channel 2 News. I was not part of the rally but talked to some of the people afterwards and they seemed to be happy we are all working together to address the site.

Thanks
